Product Description

The Asec Vital Small Key Safe with Cover is a compact and secure solution for storing spare house keys, making it ideal for carers, family members, or emergency access. Designed for both indoor and outdoor use, this key safe features a weather-resistant rubber cover that protects the lock mechanism from the elements.

Security is managed via a customisable 3 to 10-digit combination, offering thousands of potential code variations for peace of mind. For added convenience during use, the key safe features a fully detachable face, making it easier to access and manage your keys.

This unit is designed for wall mounting and is supplied complete with all necessary fixings, ensuring a quick and straightforward installation process. Whether you need to secure a spare key outside your home or manage access inside a property, the Asec Vital Key Safe provides a practical, reliable, and weather-protected storage solution.
