Specification Summary

Brand	A. Perry
Product type	Chest

Product Description

The A Perry AS246 Chest Handle is a robust and reliable hardware solution designed for heavier weight applications. Measuring 100mm (4") in width, this heavy-duty chest handle is manufactured from strong mild steel, ensuring long-lasting durability and dependable performance. It features a classic black finish that offers a clean, professional look while providing excellent corrosion resistance, making it suitable for both internal and external environments.

Supplied in a convenient pack of two, these handles are highly versatile and ideal for use on toolboxes, heavy chests, drawers, hatches, and other storage units. Whether you are replacing worn hardware or fitting out a new project, the A Perry AS246 provides a secure and comfortable grip for lifting and transporting heavy items.

Brand Profile

A. Perry

Perry Trade (The Perry Group / A. Perry Ltd) is a **family-owned, West Midlands–based** hardware manufacturer and trade supplier with roots going back to **1925**, when **Arthur Perry** began making steel gutter brackets and hinges. Still directed by the **3rd and 4th generation** of the Perry and Dunnaker family, the business has grown into a multi-division group serving trade customers across the UK and internationally.

Operating from a **140,000+ sq ft site spanning over 5 acres**, Perry emphasizes operational efficiency and customer service, including a **fully automated robot warehouse** to support fast fulfilment. The group's "bread and butter" **Perry Trade** division focuses on **hardware, architectural ironmongery, hinges, fixings and fasteners, gate and fencing hardware, locks, chain and rope**, alongside specialist arms including **Perry Equestrian**, **Primus** (garden art/gifting), and **Perry Manufacturing** (threaded bar and engineered fasteners).
