Specification Summary

Brand	A. Perry
Product type	Brackets

Product Description

The A Perry AS315 Stretcher Plate is a highly versatile bracket designed for a wide range of carpentry, joinery, and cabinet-making applications. Commonly used for fitting cupboard units, securing table tops, and bracing corners, this stretcher plate provides robust reinforcement where joining or strengthening is required.

A key feature of the AS315 is its practical design. One side features two standard circular holes, while the other side is equipped with two oval slots. These elongated slots are particularly useful, providing the necessary flexibility to accommodate misaligned screws or allow for natural timber movement without compromising the integrity of the joint. Finished in a sleek satin chrome, this durable plate offers both functional strength and a clean, modern appearance.

Technical Specifications

- **Brand:** A. Perry
- **Manufacturer Reference:** 315-0000SC
- **Finish:** Satin Chrome
- **Width:** 38mm (1 1/2")
- **Depth:** 25mm

- **Weight:** 22g

Brand Profile

A. Perry

Perry Trade (The Perry Group / A. Perry Ltd) is a **family-owned, West Midlands–based** hardware manufacturer and trade supplier with roots going back to **1925**, when **Arthur Perry** began making steel gutter brackets and hinges. Still directed by the **3rd and 4th generation** of the Perry and Dunnaker family, the business has grown into a multi-division group serving trade customers across the UK and internationally.

Operating from a **140,000+ sq ft site spanning over 5 acres**, Perry emphasizes operational efficiency and customer service, including a **fully automated robot warehouse** to support fast fulfilment. The group's "bread and butter" **Perry Trade** division focuses on **hardware, architectural ironmongery, hinges, fixings and fasteners, gate and fencing hardware, locks, chain and rope**, alongside specialist arms including **Perry Equestrian**, **Primus** (garden art/gifting), and **Perry Manufacturing** (threaded bar and engineered fasteners).
