Specification Summary

Brand	A. Perry
Product type	Brackets

Product Description

The A Perry AS320 Corner Brace is a versatile and robust L-shaped bracket designed to reinforce right-angle joints, secure wooden structures, and support shelving. Ideal for a wide range of domestic and commercial ironmongery applications, these corner braces provide reliable stability and strength where materials meet at a 90-degree angle.

Crafted with a sleek satin chrome finish, they offer a clean, modern aesthetic that blends seamlessly with contemporary hardware. To ensure a neat, flush finish once installed, each brace is countersunk on the inside only, allowing screw heads to sit level with the bracket surface.

These corner braces are available in a range of lengths from 25mm to 10cm, with corresponding weights from 9g to 80g. Please select your required length, weight, manufacturer reference, and barcode from the options below.

Brand Profile

A. Perry

Perry Trade (The Perry Group / A. Perry Ltd) is a **family-owned, West Midlands–based** hardware manufacturer and trade supplier with roots going back to **1925**, when **Arthur Perry** began making steel gutter brackets and hinges. Still directed by the **3rd and 4th generation** of the Perry and Dunnaker family, the business has grown into a multi-division group serving trade customers across the UK and internationally.

Operating from a **140,000+ sq ft site spanning over 5 acres**, Perry emphasizes operational efficiency and customer service, including a **fully automated robot warehouse** to support fast fulfilment. The group's "bread and butter" **Perry Trade** division focuses on **hardware, architectural ironmongery, hinges, fixings and fasteners, gate and fencing hardware, locks, chain and rope**, alongside specialist arms including **Perry Equestrian**, **Primus** (garden art/gifting), and **Perry Manufacturing** (threaded bar and engineered fasteners).
