Specification Summary

Brand	A. Perry
Product type	Accessory

Product Description

The A Perry AS584 Bolt Plate is a high-quality receiver plate designed specifically to accept 16mm (5/8") square door bolts. It provides a clean, secure, and reliable keeper point for square bolts, ensuring your doors or gates remain firmly locked.

Manufactured by A. Perry, this bolt plate features a durable zinc-plated finish that offers excellent resistance to rust and corrosion, making it ideal for both internal and external applications. Supplied individually boxed, it is a straightforward and essential accessory for completing architectural ironmongery installations.

Technical Specifications

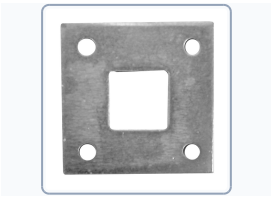

- **Brand:** A. Perry
- **Manufacturer Reference:** 584-0000ZP
- **Part Number:** L1133
- **Body Width:** 16mm
- **Finish:** Zinc Plated
- **Pack Quantity:** 1
- **Packaging:** Boxed

- **Weight:** 35g

Brand Profile

A. Perry

Perry Trade (The Perry Group / A. Perry Ltd) is a **family-owned, West Midlands–based** hardware manufacturer and trade supplier with roots going back to **1925**, when **Arthur Perry** began making steel gutter brackets and hinges. Still directed by the **3rd and 4th generation** of the Perry and Dunnaker family, the business has grown into a multi-division group serving trade customers across the UK and internationally.

Operating from a **140,000+ sq ft site spanning over 5 acres**, Perry emphasizes operational efficiency and customer service, including a **fully automated robot warehouse** to support fast fulfilment. The group's "bread and butter" **Perry Trade** division focuses on **hardware, architectural ironmongery, hinges, fixings and fasteners, gate and fencing hardware, locks, chain and rope**, alongside specialist arms including **Perry Equestrian**, **Primus** (garden art/gifting), and **Perry Manufacturing** (threaded bar and engineered fasteners).
