Product Description

Get high-quality replacement keys cut to code for your Brisant Ultion TS007 3-star rated locks. Whether you need a spare for a family member or a replacement for a lost key, our professional key-cutting service ensures a reliable fit.

How to Order

Simply provide the unique key code engraved on your key head. Please note that we are currently only able to cut Ultion keys with codes starting with the letter **"U"**. We are unable to cut keys starting with **"X"** or **"C"**. Alternatively, you can email us a clear photograph of your existing Ultion key, and we can copy it for you.

Security & Delivery

To ensure maximum security for your property, all replacement keys are shipped discreetly without any accompanying paperwork. For your peace of mind, we strongly advise having your keys delivered to an alternative address where the locks are not installed, such as your workplace or a friend or neighbour's home.

Technical Specifications

- **Lock Compatibility:** Brisant Ultion TS007 3-star rated locks
- **Supported Key Code Prefix:** "U" prefix only (codes starting with "X" or "C" are not supported)
- **Cutting Method:** Cut to code or copied from a clear photograph

Key Features

- **Precision Cut:** Expertly cut to match your specific Ultion lock code for smooth, reliable operation
- **Discreet Shipping:** Dispatched without paperwork to maintain your home security
- **Alternative Delivery Recommended:** Safe option to ship to a workplace, friend, or neighbour
- **Photo Copying Available:** Simply email a photo of your key if you do not have the code
