Product type	Miscellaneous

Product Description

The A. Perry AS891 Hotbed Handle is an extremely versatile and hard-wearing pull handle designed for a wide range of domestic, agricultural, and commercial applications. Featuring a classic black finish, this strong cast iron handle is ideal for use on timber gates, shed doors, outbuildings, cabinets, and storage chests.

With its slender grip and robust construction, the AS891 provides a comfortable and secure hold, ensuring reliable everyday use. Its traditional design makes it a popular choice for both interior and exterior projects where a simple, durable, and practical hardware solution is required.

Brand Profile

A. Perry

Perry Trade (The Perry Group / A. Perry Ltd) is a **family-owned, West Midlands–based** hardware manufacturer and trade supplier with roots going back to **1925**, when **Arthur Perry** began making steel gutter brackets and hinges. Still directed by the **3rd and 4th generation** of the Perry and Dunnaker family, the business has grown into a multi-division group serving trade customers across the UK and internationally.

Operating from a **140,000+ sq ft site spanning over 5 acres**, Perry emphasizes operational efficiency and customer service, including a **fully automated robot warehouse** to support fast fulfilment. The group's "bread and butter" **Perry Trade** division focuses on **hardware, architectural ironmongery, hinges, fixings and fasteners, gate and fencing hardware, locks, chain and rope**, alongside specialist arms including **Perry Equestrian**, **Primus** (garden art/gifting), and **Perry Manufacturing** (threaded bar and engineered fasteners).
