Specification Summary

Brand	A. Perry
Product type	Tower

Product Description

The A. Perry AS923A Black Tower Bolt is a versatile, multi-purpose straight sliding bolt designed to provide reliable security for gates, sheds, outbuildings, and domestic doors. Featuring an enclosed steel shoot for enhanced durability and smooth operation, this traditional tower bolt is ideal for applications where straightforward, robust security is required.

Each bolt is finished in a classic black coating and comes supplied with a staple-style bolt keep. It is available in a selection of lengths, weights, and references to suit your specific installation requirements. Please select your preferred options from the choices below.

Brand Profile

A. Perry

Perry Trade (The Perry Group / A. Perry Ltd) is a **family-owned, West Midlands–based** hardware manufacturer and trade supplier with roots going back to **1925**, when **Arthur Perry** began making steel gutter brackets and hinges. Still directed by the **3rd and 4th generation** of the Perry and Dunnaker family, the business has grown into a multi-division group serving trade customers across the UK and internationally.

Operating from a **140,000+ sq ft site spanning over 5 acres**, Perry emphasizes operational efficiency and customer service, including a **fully automated robot warehouse** to support fast fulfilment. The group's "bread and butter" **Perry Trade** division focuses on **hardware, architectural ironmongery, hinges, fixings and fasteners, gate and fencing hardware, locks, chain and rope**, alongside specialist arms including **Perry Equestrian**, **Primus** (garden art/gifting), and **Perry Manufacturing** (threaded bar and engineered fasteners).
