Specification Summary

Brand	A. Perry
Product type	Gate Locks

Product Description

The A. Perry 1126 Single Locking Long Throw Gate Lock is a premium security solution designed to protect gates, shed doors, and side entrances. Featuring a high-grade A4/316 marine-grade stainless steel bolt and a solid brass escutcheon plate, this lock offers exceptional corrosion resistance, making it ideal for outdoor use in harsh weather conditions.

This single-locking model is operated with a key from the outside, while the inside features a manual plunger mechanism. To open from the inside, simply depress the plunger and slide the bolt manually, allowing for quick and easy egress without needing a key. The lock is equipped with a high-security 6-pin cylinder and is supplied complete with five keys and all necessary stainless steel fixings for a straightforward installation.

This gate lock is available in a choice of barrel lengths to suit different gate thicknesses, either 50mm or 70mm. Please select your required door thickness and barrel length from the options below to ensure the perfect fit for your gate.

Brand Profile

A. Perry

Perry Trade (The Perry Group / A. Perry Ltd) is a **family-owned, West Midlands–based** hardware manufacturer and trade supplier with roots going back to **1925**, when **Arthur Perry** began making steel gutter brackets and hinges. Still directed by the **3rd and 4th generation** of the Perry and Dunnaker family, the business has grown into a multi-division group serving trade customers across the UK and internationally.

Operating from a **140,000+ sq ft site spanning over 5 acres**, Perry emphasizes operational efficiency and customer service, including a **fully automated robot warehouse** to support fast fulfilment. The group's "bread and butter" **Perry Trade** division focuses on **hardware, architectural ironmongery, hinges, fixings and fasteners, gate and fencing hardware, locks, chain and rope**, alongside specialist arms including **Perry Equestrian**, **Primus** (garden art/gifting), and **Perry Manufacturing** (threaded bar and engineered fasteners).
