Specification Summary

Brand	Abus
Product type	Combination

Product Description

The ABUS 144/40 is a lightweight and durable 4-digit combination padlock, designed to secure medium-value items or areas with a moderate risk of theft. Constructed with a solid aluminium body and a protective anodised coating, it offers excellent corrosion resistance. This padlock is ideal for securing school and gym lockers, luggage, toolboxes, cupboards, and cash boxes.

A key feature of the ABUS 144/40 is its extra-large, easy-to-turn code dials. Unlike standard padlocks where numbers are painted on and prone to wearing off, the digits on this lock are injected directly into the plastic dials. This ensures they remain highly visible and abrasion-proof over long-term use. The 4-digit combination is fully resettable, allowing you to easily set and change your own custom code without the hassle of carrying keys.

This versatile padlock is available in a variety of vibrant finishes, including Black, Blue, Green, Grey, Orange, Purple, Red, Silver, Yellow, and Assorted Colours. Please select your preferred finish from the options below.

Technical Specifications

- **Body Width:** 41.5mm
- **Body Depth:** 18mm
- **Shackle Diameter:** 6mm
- **Vertical Clearance:** 26mm
- **Horizontal Clearance:** 21.5mm
- **Body Material:** Aluminium
- **Shackle Finish:** Steel
- **Locking Type:** 4-wheel resettable combination
- **Weight:** 113g
- **Pack Quantity:** 1

Key Features

- **Solid Aluminium Body:** Lightweight yet robust construction with an anodised coating for high corrosion resistance.
- **Abrasion-Proof Dials:** Injected plastic number dials ensure the digits remain clearly visible and won't wear off over time.
- **Keyless Convenience:** Features a fully resettable 4-digit combination lock, allowing you to set your own secure code.
- **Extra-Large Dials:** Designed with oversized, easy-to-grip wheels for effortless operation.
- **Versatile Security:** Ideal for securing lockers, luggage, toolboxes, cupboards, and cash boxes.
- **Multiple Finishes:** Available in a wide range of colours - please choose your preferred option below.

Brand Profile

Abus

ABUS (short for **August Bremicker Söhne**) is a **German, family-owned security company** best known for making locks and “preventative” security products—the stuff designed to stop problems *before* they happen. The company was founded in **1924**, when August Bremicker and his sons started making padlocks in a cellar forge in **Volmarstein** (North Rhine-Westphalia). One of the earliest products was a padlock they called **“Iron Rock,”** and the business expanded from there into a broad security portfolio.

Today, ABUS’s headquarters are in **Wetter (Ruhr), Germany**, and the company manufactures across multiple German and international sites (with major German production called out in places like **Rehe**).

ABUS operates as a group with well-known consumer lines spanning **padlocks and door/window security**, **alarm systems and video surveillance**, and also **bike security**—notably **bike locks** and **bike helmets** (a big reason you’ll see the brand everywhere from hardware stores to cycling shops).

Brand-wise, ABUS leans hard into the “German engineering, don’t mess about” identity: practical, durability-obsessed, and aimed at homes, businesses, and people trying to stop their stuff being yeeted into the void by opportunistic goblins.
