Specification Summary

Brand	Abus
Product type	Combination

Product Description

The ABUS 145/30 Travel Light Combination Padlock is a lightweight yet strong security solution, perfect for securing luggage, school or gym lockers, toolboxes, and sports bags. Crafted with a precision-extruded, cut, and drilled pure aluminium body, this padlock offers robust protection without adding unnecessary weight to your travel gear.

To ensure long-lasting durability, the padlock features an anodised finish that resists corrosion, paired with a zinc-plated brass lock mechanism designed to prevent chemical wear. The steel shackle is spring-loaded, which provides a smoother feel when setting and aligning your code.

With its user-friendly 3-digit resettable combination mechanism, you can easily set and change your own personalised code at any time, eliminating the hassle of carrying keys.

This padlock is available in a wide range of bright, easily identifiable colours, including Black, Blue, Green, Lilac, Orange, Red, and Yellow. Please select your preferred finish and manufacturer reference from the options below.

Technical Specifications

- **Body Width:** 30mm
- **Body Depth:** 15mm
- **Shackle Diameter:** 5mm
- **Horizontal Clearance:** 14mm
- **Vertical Clearance:** 26mm
- **Weight:** 60g
- **Locking Mechanism:** 3-wheel resettable combination
- **Body Material:** Solid aluminium (anodised)
- **Shackle Material:** Steel
- **Finishes Available:** Black, Blue, Green, Lilac, Orange, Red, and Yellow (please select from the options below)

Key Features

- **Lightweight & Durable:** Precision-extruded, cut, and drilled pure aluminium body offers strong security with minimal weight.
- **Corrosion Resistant:** Anodised body and zinc-plated brass lock mechanism protect against chemical corrosion and wear.
- **Keyless Convenience:** 3-digit resettable combination allows you to set your own code and change it whenever required.
- **Spring-Loaded Shackle:** Designed for easier and more precise setting of the opening code.
- **Vibrant Colour Options:** Available in multiple bright finishes to make identifying your luggage or locker simple and quick.

Brand Profile

Abus

ABUS (short for **August Bremicker Söhne**) is a **German, family-owned security company** best known for making locks and “preventative” security products—the stuff designed to stop problems *before* they happen. The company was founded in **1924**, when August Bremicker and his sons started making padlocks in a cellar forge in **Volmarstein** (North Rhine-Westphalia). One of the earliest products was a padlock they called **“Iron Rock,”** and the business expanded from there into a broad security portfolio.

Today, ABUS’s headquarters are in **Wetter (Ruhr), Germany**, and the company manufactures across multiple German and international sites (with major German production called out in places like **Rehe**).

ABUS operates as a group with well-known consumer lines spanning **padlocks and door/window security**, **alarm systems and video surveillance**, and also **bike security**—notably **bike locks** and **bike helmets** (a big reason you’ll see the brand everywhere from hardware stores to cycling shops).

Brand-wise, ABUS leans hard into the “German engineering, don’t mess about” identity: practical, durability-obsessed, and aimed at homes, businesses, and people trying to stop their stuff being yeeted into the void by opportunistic goblins.
