Specification Summary

Brand	Abus
Product type	Discus

Product Description

The ABUS 26 Series Diskus Padlock is the original German-made disc padlock, offering robust 360° protection for high-security applications. Constructed with a solid stainless steel case and entirely rust-free internal components, it is engineered to secure trucks, vans, gates, and doors against harsh weather and physical attacks.

This high-security padlock features ABUS's signature "Deep Weld Technology" for maximum case strength, alongside a solid interior lock body that resists drilling, pulling, and sawing. A built-in anti-cut plate provides a formidable barrier against attack, while the pin tumbler cylinder is equipped with anti-pick mushroom pins to deter manipulation. The through-hardened steel alloy shackle is designed to resist bolt cutters and saw attacks.

To suit your specific security needs, this padlock is available in multiple configurations. Please choose from the options below to select your preferred body width, shackle diameter, keying option, and packaging type.

Technical Specifications

- **Brand:** ABUS
- **Body Width:** 71mm or 81mm (please select from the options below)
- **Body Height:** 71mm or 81mm (please select from the options below)
- **Body Depth:** 31mm
- **Shackle Diameter:** 10mm or 11mm (please select from the options below)
- **Horizontal Clearance:** 19.5mm or 25mm (please select from the options below)
- **Vertical Clearance:** 17mm or 18mm (please select from the options below)
- **Keying Options:** Keyed Alike or Keyed To Differ (please select from the options below)
- **Key Retaining:** Yes
- **Shackle Finish:** Hardened Steel
- **Cylinder:** Pin tumbler with anti-pick mushroom pins
- **Packaging:** Boxed or Visi (please select from the options below)
- **Weight:** 387g to 571g (depending on the selected option)
- **Country of Manufacture:** Germany

Key Features

- **Original ABUS Diskus Design:** Features a solid stainless steel outer case and rust-free internal components for excellent weather resistance.
- **Deep Weld Technology:** Provides maximum case strength and resistance to physical force.
- **Solid Lock Body Construction:** Protects against drilling, pulling, and sawing attacks.
- **Through-Hardened Steel Alloy Shackle:** Resists bolt cutter and saw attacks.
- **Integrated Anti-Cut Plate:** Offers genuine 360° lock protection.
- **Key Retaining Feature:** Ensures the padlock is securely locked before the key can be removed.
- **Multiple Configurations:** Available in a range of sizes, keying options, and packaging styles to suit your requirements (please choose below).

Brand Profile

Abus

ABUS (short for **August Bremicker Söhne**) is a **German, family-owned security company** best known for making locks and “preventative” security products—the stuff designed to stop problems *before* they happen. The company was founded in **1924**, when August Bremicker and his sons started making padlocks in a cellar forge in **Volmarstein** (North Rhine-Westphalia). One of the earliest products was a padlock they called **“Iron Rock,”** and the business expanded from there into a broad security portfolio.

Today, ABUS’s headquarters are in **Wetter (Ruhr), Germany**, and the company manufactures across multiple German and international sites (with major German production called out in places like **Rehe**).

ABUS operates as a group with well-known consumer lines spanning **padlocks and door/window security**, **alarm systems and video surveillance**, and also **bike security**—notably **bike locks** and **bike helmets** (a big reason you’ll see the brand everywhere from hardware stores to cycling shops).

Brand-wise, ABUS leans hard into the “German engineering, don’t mess about” identity: practical, durability-obsessed, and aimed at homes, businesses, and people trying to stop their stuff being yeeted into the void by opportunistic goblins.
