Specification Summary

Brand	Abus
Product type	Open Shackle

Product Description

The ABUS 65 Series Brass Open Stainless Steel Shackle Padlock (65IB) is a marine-grade, highly weather-resistant security solution designed for environments exposed to harsh weather, moisture, and saltwater. Part of the best-selling ABUS 65 series, this padlock features a solid brass body combined with a high-quality stainless steel shackle, ensuring maximum corrosion resistance and long-lasting service performance.

Equipped with a precision pin tumbler cylinder and anti-pick mushroom pins, it offers reliable protection against manipulation. The internal components are manufactured entirely from non-corrosive materials, making it ideal for securing gates, sheds, lockers, toolboxes, and marine equipment.

This padlock is available in a range of body widths from 30mm to 50mm, with shackle diameters ranging from 5mm to 8mm. You can also choose between Keyed Alike (ideal for multiple locks using the same key) or Keyed To Differ options, as well as single or twin packs. Please select your preferred size, keying option, and packaging from the options below to find the perfect fit for your security needs.

Technical Specifications

- **Body Width:** 30mm, 40mm, or 50mm (please choose from the options below)
- **Body Depth:** 14mm, 15mm, or 18mm (please choose from the options below)
- **Shackle Diameter:** 5mm, 6.5mm, or 8mm (please choose from the options below)
- **Horizontal Clearance:** 16mm, 22mm, or 28mm (please choose from the options below)
- **Vertical Clearance:** 17.5mm, 22.5mm, or 29mm (please choose from the options below)
- **Body Material:** Solid brass
- **Shackle Material:** Stainless steel (IB)
- **Keying Options:** Keyed Alike or Keyed To Differ (please choose from the options below)
- **Pack Quantity:** 1 or 2 (please choose from the options below)
- **Packaging:** Boxed or Visi (please choose from the options below)

Key Features

- **Maximum Corrosion Resistance:** Stainless steel shackle (IB) and non-corrosive internal components make it perfect for marine and coastal environments
- **Solid Brass Body:** Offers robust durability and excellent weather resistance
- **Anti-Pick Protection:** Precision pin tumbler cylinder with anti-pick mushroom pins resists manipulation
- **Automatic Locking:** Convenient key-free locking by simply pushing down the shackle
- **Versatile Security:** Suitable for low to medium security requirements in domestic, commercial, and marine applications
- **Flexible Options:** Multiple sizes, keying suites, and pack quantities available to suit your requirements

Brand Profile

Abus

ABUS (short for **August Bremicker Söhne**) is a **German, family-owned security company** best known for making locks and “preventative” security products—the stuff designed to stop problems *before* they happen. The company was founded in **1924**, when August Bremicker and his sons started making padlocks in a cellar forge in **Volmarstein** (North Rhine-Westphalia). One of the earliest products was a padlock they called **“Iron Rock,”** and the business expanded from there into a broad security portfolio.

Today, ABUS’s headquarters are in **Wetter (Ruhr), Germany**, and the company manufactures across multiple German and international sites (with major German production called out in places like **Rehe**).

ABUS operates as a group with well-known consumer lines spanning **padlocks and door/window security**, **alarm systems and video surveillance**, and also **bike security**—notably **bike locks** and **bike helmets** (a big reason you’ll see the brand everywhere from hardware stores to cycling shops).

Brand-wise, ABUS leans hard into the “German engineering, don’t mess about” identity: practical, durability-obsessed, and aimed at homes, businesses, and people trying to stop their stuff being yeeted into the void by opportunistic goblins.
