Specification Summary

Brand	Abus
Product type	Aluminium

Product Description

The ABUS 74HB Series Long Shackle Lock Out Tag Out (LOTO) Coloured Aluminium Padlock is designed specifically to keep employees safe and secure equipment in hazardous industrial environments. Meeting OSHA lockout regulations, this lightweight and non-sparking padlock features a solid aluminium core protected by a non-conductive cover.

Equipped with an insulated steel shackle, this padlock provides excellent protection against electric shocks. It is also key-retaining, meaning the key cannot be removed until the padlock is fully locked, preventing accidental unlocking. To support hygiene standards, it is lubricated with an FDA-approved lubricant, making it suitable for use in food preparation and processing areas.

This padlock is available in 10 high-visibility colours, including Black, Blue, Brown, Green, Grey, Orange, Purple, Red, White, and Yellow, allowing teams to easily colour-code and organise their locking systems. Please select your preferred colour from the options below.

Technical Specifications

- **Body Width:** 40mm
- **Body Height:** 46mm
- **Shackle Diameter:** 6.75mm
- **Vertical Clearance:** 74mm
- **Horizontal Clearance:** 20.5mm
- **Body Material:** Solid aluminium core with non-conductive cover
- **Shackle Material:** Insulated steel shackle
- **Cylinder Type:** High-precision 6-pin cylinder
- **Keying:** Keyed to differ
- **Weight:** 119g
- **Finishes:** Available in 10 colours (please choose from the options below)

Key Features

- **LOTO Compliant:** Designed for Lock Out Tag Out applications and meets OSHA lockout regulations.
- **Anti-Electric Shock:** Insulated steel shackle and non-conductive body cover protect against electrical hazards.
- **Key Retaining:** Key cannot be removed while the padlock is open, ensuring it is always fully locked when secured.
- **Food Safe:** Uses FDA-approved lubricant, making it suitable for food preparation and processing environments.
- **Corrosion Resistant:** High corrosion resistance due to surface cathodic protection.
- **High Visibility:** Available in 10 distinct colours to easily identify different users, teams, or departments.
- **Supplied with Labels:** Shipped with LOTO labels for clear safety communication.

Brand Profile

Abus

ABUS (short for **August Bremicker Söhne**) is a **German, family-owned security company** best known for making locks and “preventative” security products—the stuff designed to stop problems *before* they happen. The company was founded in **1924**, when August Bremicker and his sons started making padlocks in a cellar forge in **Volmarstein** (North Rhine-Westphalia). One of the earliest products was a padlock they called **“Iron Rock,”** and the business expanded from there into a broad security portfolio.

Today, ABUS’s headquarters are in **Wetter (Ruhr), Germany**, and the company manufactures across multiple German and international sites (with major German production called out in places like **Rehe**).

ABUS operates as a group with well-known consumer lines spanning **padlocks and door/window security**, **alarm systems and video surveillance**, and also **bike security**—notably **bike locks** and **bike helmets** (a big reason you’ll see the brand everywhere from hardware stores to cycling shops).

Brand-wise, ABUS leans hard into the “German engineering, don’t mess about” identity: practical, durability-obsessed, and aimed at homes, businesses, and people trying to stop their stuff being yeeted into the void by opportunistic goblins.
