Specification Summary

Brand	Abus
Product type	Closed Shackle

Product Description

The ABUS 83WP Series Extreme Weatherproof Closed Shackle Padlock is designed to deliver high-security protection in the harshest outdoor environments. Featuring a robust closed shackle design with an integrated shackle guard, it provides exceptional resistance against cutting, cropping, and pulling attacks.

This heavy-duty padlock is fully weather-protected, utilizing a tough plastic jacket and a rubberised shackle seal to prevent water, dirt, and debris from entering the lock body. Underneath its weather-resistant exterior lies a through-hardened steel alloy body and shackle, coupled with a dual ball bearing locking mechanism that strongly resists

lever and torsion attacks.

The high-security pin tumbler cylinder features anti-pick mushroom pins for added security. For maximum versatility, the 83WP Series is rekeyable and can be adapted to be key-retaining or non-key-retaining.

This padlock is available with different keying options (Keyed Alike or Keyed To Differ), packaging types (Boxed or Visi), weights (ranging from 555g to 590g), and manufacturer references. Please choose your preferred options from the selection below.

Technical Specifications

- **Body Width:** 56.5mm
- **Body Height:** 97.5mm
- **Body Depth:** 34.5mm
- **Shackle Diameter:** 8mm
- **Horizontal Clearance:** 19mm
- **Vertical Clearance:** 25mm
- **Shackle Finish:** Hardened Steel
- **Cylinder System:** Abus 83 Series
- **Mechanism:** Rekeyable
- **Key Retaining:** Yes
- **Weight:** 555g to 590g (please choose from the options below)
- **Keying:** Keyed Alike or Keyed To Differ (please choose from the options below)
- **Packaging:** Boxed or Visi (please choose from the options below)
- **Manufacturer Reference:** 83WPCS/53 C or 83WPCS/53 KA (2745 KA) (please choose from the options below)
- **Barcode:** 4003318539336 or 4003318560460 (please choose from the options below)

Key Features

- **Closed Shackle Design:** Integrated shackle guard protects against cutting, cropping, and pulling attacks.
- **Extreme Weather Protection:** Tough plastic jacket and rubberised shackle seal keep out water, dirt, and debris.
- **High-Security Locking:** Dual ball bearing locking mechanism resists lever and torsion attacks.
- **Anti-Pick Cylinder:** Pin tumbler cylinder equipped with anti-pick mushroom pins.
- **Hardened Steel Construction:** Through-hardened steel alloy body and shackle resist physical attacks.
- **Rekeyable Mechanism:** Adapts to various requirements, including key-retaining or non-key-retaining setups.
- **In-House Key Services:** Key cutting and Keyed Alike options stocked and serviced in-house.

Brand Profile

Abus

ABUS (short for **August Bremicker Söhne**) is a **German, family-owned security company** best known for making locks and "preventative" security products—the stuff designed to stop problems *before* they happen. The company was founded in **1924**, when August Bremicker and his sons started making padlocks in a cellar forge in **Volmarstein** (North Rhine-Westphalia). One of the earliest products was a padlock they called **"Iron Rock,"** and the business expanded from there into a broad security portfolio.

Today, ABUS's headquarters are in **Wetter (Ruhr), Germany**, and the company manufactures across multiple German and international sites (with major German production called out in places like **Rehe**).

ABUS operates as a group with well-known consumer lines spanning **padlocks and door/window security**, **alarm systems and video surveillance**, and also **bike security**—notably **bike locks** and **bike helmets** (a big reason you'll see the brand everywhere from hardware stores to cycling shops).

Brand-wise, ABUS leans hard into the "German engineering, don't mess about" identity: practical, durability-obsessed, and aimed at homes, businesses, and people trying to stop their stuff being yeeted into the void by opportunistic goblins.
