Specification Summary

Brand	Abus
Product type	Open Shackle

Product Description

The ABUS T84MB Series Brass Open Shackle Padlock is a durable, weather-resistant security solution designed for both indoor and outdoor applications. Featuring a solid brass body and shackle, along with rust-free internal components, this padlock is highly resistant to corrosion, making it ideal for marine environments, severe weather conditions, and outdoor sports equipment.

The padlock is encased in a protective vinyl sleeve, which helps prevent scratches to adjacent surfaces and provides anti-static, non-sparking properties. This makes it an excellent choice for safety lockout/tagout procedures, as well as securing luggage, toolboxes, and lockers. It features a precision pin tumbler cylinder with anti-pick mushroom pins for enhanced security against manipulation.

This padlock is available in multiple finishes and keying options, including Keyed Alike and Keyed to Differ. Please select your preferred finish, keying type, and weight from the options below.

Technical Specifications

- **Body Width:** 43mm
- **Body Depth:** 17mm
- **Shackle Diameter:** 6.5mm
- **Horizontal Clearance:** 20.5mm
- **Vertical Clearance:** 21.5mm
- **Body Material:** Solid brass with vinyl sleeve
- **Shackle Material:** Solid brass
- **Keying Options:** Keyed Alike or Keyed To Differ (please select below)
- **Finishes Available:** Black, Blue, Green, Grey, Red, Yellow (please select below)
- **Weight:** 136g to 139g (please select below)

Key Features

- **Corrosion Resistant:** Solid brass body and shackle with rust-free internal components, ideal for outdoor and marine use.
- **Protective Vinyl Sleeve:** Helps prevent damage to adjacent surfaces and provides anti-static, non-sparking properties.
- **Lockout/Tagout Friendly:** Perfect for industrial safety lock-offs, with multiple colour options to assist with identification.
- **Anti-Pick Protection:** Precision pin tumbler cylinder with anti-pick mushroom pins resists manipulation.
- **Self-Locking:** Convenient automatic locking by simply pressing down the shackle.

Brand Profile

Abus

ABUS (short for **August Bremicker Söhne**) is a **German, family-owned security company** best known for making locks and "preventative" security products—the stuff designed to stop problems *before* they happen. The company was founded in **1924**, when August Bremicker and his sons started making padlocks in a cellar forge in **Volmarstein** (North Rhine-Westphalia). One of the earliest products was a padlock they called **"Iron Rock,"** and the business expanded from there into a broad security portfolio.

Today, ABUS's headquarters are in **Wetter (Ruhr), Germany**, and the company manufactures across multiple German and international sites (with major German production called out in places like **Rehe**).

ABUS operates as a group with well-known consumer lines spanning **padlocks and door/window security**, **alarm systems and video surveillance**, and also **bike security**—notably **bike locks** and **bike helmets** (a big reason you'll see the brand everywhere from hardware stores to cycling shops).

Brand-wise, ABUS leans hard into the "German engineering, don't mess about" identity: practical, durability-obsessed, and aimed at homes, businesses, and people trying to stop their stuff being yeeted into the void by opportunistic goblins.
