Brand	Adams Rite
Product type	Slim Line

Product Description

The Adams Rite 268-600 is a premium glass door armature housing designed to facilitate the secure mounting of Adams Rite 260 and 280 series (including 261 and 281) magnetic lock armatures onto glass doors.

Constructed from high-quality aluminium with a sleek Satin Anodised Aluminium (SAA) finish, this housing offers a clean and professional aesthetic that seamlessly integrates with modern glass door installations. It is specifically engineered for outward opening doors, providing a reliable and robust mounting solution without the need for complex modifications or drilling into the glass. Supplied as a single boxed unit, it is backed by a reassuring 3-year manufacturer's guarantee, making it an excellent choice for commercial and residential access control setups.

Brand Profile

Adams Rite

Adams Rite is a long-running American door-hardware brand best known as *“the Aluminum Hardware Authority”*—a specialist in locking and access hardware for **narrow-stile aluminum doors** (think storefronts, commercial entrances, glass-and-aluminum door systems).

The company’s core range covers **deadlocks and deadlatches**, **electric strikes**, **exit devices/panic hardware**, **trim**, and related cylinders/accessories—basically the mechanical and electromechanical guts that let commercial aluminum doors stay secure while still being code-compliant and usable.

Adams Rite is part of ASSA ABLOY, following ASSA ABLOY’s acquisition (announced and completed in **2006**). In ASSA ABLOY’s portfolio, Adams Rite is positioned as a strong, complementary brand in aluminum door applications.
