Product Description

The Adams Rite AH 2627 90 SL Sentinel Security Escutcheon is a high-security Europrofile escutcheon designed specifically for use with the Adams Rite Sentinel 6 security deadlock series. Engineered to provide robust protection for narrow-stile metal doors, this escutcheon features a covered face and heavy-duty construction to defend against physical attacks and tampering.

With its secure bolt-through fixings, the AH 2627 90 SL ensures a solid, dependable installation that clamps tightly to the door. Its sleek, low-profile design and satin chrome (silver) finish offer a clean, professional appearance that seamlessly complements modern commercial door hardware. When paired with the appropriate Adams Rite deadlock, this security escutcheon helps installations meet PAS 24 standards, making it an ideal choice for commercial, retail, and public buildings requiring enhanced security.

Technical Specifications

- **Brand:** Adams Rite
- **Manufacturer Reference:** 2627-90 (AH-2627-90-SL)
- **Profile:** Europrofile

- **Diameter:** 27mm
- **Projection:** 16mm
- **Horizontal Fixing Centres:** 22mm (23mm screw centres)
- **Vertical Fixing Centres:** 52mm
- **Fixing Type:** Bolt-through
- **Finish:** Satin Chrome / Silver
- **Weight:** 360g

Key Features

- **High-Security Protection:** Specifically designed to protect Euro cylinder installations on Sentinel 6 security deadlocks.
- **Robust Bolt-Through Fixings:** Provides maximum resistance to tampering and forced entry by clamping securely through the door.
- **Sleek Low-Profile Design:** Features a 16mm projection and a 27mm diameter for a neat, unobtrusive look.
- **Durable Finish:** Finished in satin chrome (silver) to match modern metal door hardware and resist wear.
- **PAS 24 Compliant:** Helps door assemblies meet PAS 24 security standards when installed with compatible Sentinel deadlocks.

Brand Profile

Adams Rite

Adams Rite is a long-running American door-hardware brand best known as *“the Aluminum Hardware Authority”*—a specialist in locking and access hardware for **narrow-stile aluminum doors** (think storefronts, commercial entrances, glass-and-aluminum door systems).

The company’s core range covers **deadlocks and deadlatches**, **electric strikes**, **exit devices/panic hardware**, **trim**, and related cylinders/accessories—basically the mechanical and electromechanical guts that let commercial aluminum doors stay secure while still being code-compliant and usable.

Adams Rite is part of ASSA ABLOY, following ASSA ABLOY’s acquisition (announced and completed in **2006**). In ASSA ABLOY’s portfolio, Adams Rite is positioned as a strong, complementary brand in aluminum door applications.
