Specification Summary

Brand	Adams Rite
Product type	Cylinder - Screw In

Product Description

The Adams Rite MS1850 Mortice Hooklock Case is a high-security deadlock designed specifically for sliding narrow-stile aluminium doors. Featuring a robust laminated steel hookbolt, this lock case provides exceptional resistance against forced entry and spreading attempts, making it an ideal choice for commercial and retail storefronts.

Please note that this lock case is supplied without a cylinder, faceplate, or strike plate, allowing you to customise the installation to your exact requirements. It is compatible with standard 1" (25.4 mm) length, 1-5/32" (29.4 mm) diameter screw-in mortice cylinders or thumbturns featuring an MS cam.

This versatile hooklock is available in multiple configurations to suit different door profiles. Depending on your requirements, you can choose from a range of backsets (including 22mm, 24mm, 28mm, and 38mm) and corresponding case depths (from 40mm to 57mm). Additionally, both monitored and non-monitored versions are available, with weights ranging from 220g to 580g. Please select your preferred backset, monitoring option, and manufacturer reference from the options below.

Technical Specifications

- **Brand:** Adams Rite
- **Lock Type:** Mortice Hooklock Case
- **Backset:** 22mm, 24mm, 28mm, or 38mm (please select from the options below)
- **Case Depth:** 40mm, 41.5mm, 45mm, or 57mm (please select from the options below)
- **Case Height:** 152mm
- **Forend Length:** 175mm
- **Forend Width:** 26mm
- **Finish:** Anodised Aluminium
- **Monitored:** Yes or No options available (please select from the options below)
- **Cylinder Compatibility:** Accepts standard 1" (25.4 mm) length, 1-5/32" (29.4 mm) diameter screw-in mortice cylinder with MS cam (not included)
- **Weight:** 220g to 580g (depending on the option selected)

Key Features

- **High Security:** Features a large laminated steel hookbolt designed to resist forced entry and door-spreading attempts.
- **Narrow Stile Design:** Specifically engineered to suit sliding narrow-stile aluminium doors.
- **Customisable Setup:** Supplied as a lock case only; faceplates, strike plates, and cylinders are ordered separately to match your specific door profile.
- **Multiple Configurations:** Available in a range of backsets and monitored or non-monitored variants to suit your installation needs.
- **Durable Finish:** Finished in anodised aluminium for long-lasting performance and corrosion resistance.

Brand Profile

Adams Rite

Adams Rite is a long-running American door-hardware brand best known as *“the Aluminum Hardware Authority”*—a specialist in locking and access hardware for **narrow-stile aluminum doors** (think storefronts, commercial entrances, glass-and-aluminum door systems).

The company’s core range covers **deadlocks and deadlatches**, **electric strikes**, **exit devices/panic hardware**, **trim**, and related cylinders/accessories—basically the mechanical and electromechanical guts that let commercial aluminum doors stay secure while still being code-compliant and usable.

Adams Rite is part of ASSA ABLOY, following ASSA ABLOY’s acquisition (announced and completed in **2006**). In ASSA ABLOY’s portfolio, Adams Rite is positioned as a strong, complementary brand in aluminum door applications.
