Specification Summary

Brand	Alpro
Product type	Accessory

Product Description

The Alpro Deadlock Faceplate is a high-quality replacement faceplate designed specifically to suit the Alpro 5281 deadlock range. It is ideal for use with Alpro 5218 screw-in mortice deadlock barbolt cases, providing a precise fit for both new installations and maintenance projects.

Crafted with a flat profile and measuring 25mm in width, this faceplate ensures a neat, flush fit on metal door installations. It features a durable Satin Anodised Aluminium (SAA) finish, which offers excellent resistance to wear and corrosion while providing a clean, professional aesthetic that blends seamlessly with modern commercial aluminium doors.

This genuine Alpro accessory is lightweight yet robust, ensuring reliable performance and maintaining the security and functionality of your locking system.

Technical Specifications

- **Brand:** Alpro
- **Manufacturer Reference:** 52FP1851
- **Part Number:** L22540
- **Profile:** Flat

- **Width:** 25mm
- **Finish:** Satin Anodised Aluminium (SAA)
- **Compatibility:** Suits Alpro 5281 deadlock range (including 5218 screw-in mortice deadlock barbolt cases)

Brand Profile

Alpro

Alpro (Alpro Architectural Hardware) is a UK supplier of **architectural door hardware and access-control components**, focused heavily on the **commercial aluminium door (OEM) market** and the wider **access control** environment. It operates as a **division of IEC Limited**, an **independent, family-owned** company founded in **1938** to supply quality mechanical components.

Alpro's catalogue spans both **mechanical** and **electro-mechanical** products: contemporary **pull handles**, **lever/paddle handles**, **deadlocks/deadlatches**, **cylinders**, **transom door closers**, and hardware like **flushbolts** and **armoured strikes**, alongside access-control staples such as **electric strikes**, **deadlocking/solenoid bolts**, **shearlocks**, **cabinet locks**, and **IP-rated keypads and exit switches**.

The company also highlights **BS EN ISO 9001:2015 approval**, technical support, CAD/design capability, and a stock-led operation aimed at quick dispatch - positioning Alpro as a practical "solve the door problem" brand for installers and fabricators rather than a consumer retail name.
