Product Description

The Arregui Compact Mailbox is a space-saving, weather and corrosion-resistant post box designed specifically for confined spaces. Compliant with European Standard EN-13724, this compact mailbox is ideal for individual residential use or assembled into a bank for flats and communal areas (please note, it does not feature lateral fixing holes).

Constructed from high-quality materials, this mailbox is available in either durable powder-coated steel or premium Grade 304 stainless steel. It features a 205mm x 24mm mailslot aperture, perfectly sized to receive A5 and C5 envelopes. Each unit comes complete with wall-mounting fixings and is supplied with 2 keys.

We offer this mailbox in several finishes, materials, and weights ranging from 1.491kg to 1.5kg. Please select your preferred finish, material, manufacturer reference, and barcode from the options below to suit your specific installation needs.
