Specification Summary

Brand	Arregui
Product type	Post Box

Product Description

The Arregui Premium Maxi Mailbox is a high-quality, spacious, and weather-resistant post box designed to safely receive larger mail items. Fully compliant with European Standard EN-13724, this mailbox is ideal for residential properties, offices, or communal flats. Its generous 360mm x 34mm aperture easily accommodates larger items such as magazines, catalogues, and A4/C4-sized letters without folding.

Constructed by Arregui, a leading European manufacturer, this mailbox is built to last. It features a downward-opening door for easy mail retrieval and is fitted with a weather-resistant seal to protect your post from the elements. The Premium Maxi can be mounted as a standalone unit or assembled into a bank for multi-occupancy buildings (please note, lateral fixing holes are not pre-drilled).

This mailbox is available in multiple finishes, materials, and weights to suit your installation requirements. Please select your preferred option from the choices below.

Brand Profile

Arregui

Arregui is a **Spanish manufacturer** best known for **mailboxes** and, increasingly, **parcel reception and smart locker** solutions for residential communities and businesses. The brand positions itself as a “global company” with **60+ years of experience**, and it designs, manufactures, and markets products across **mail and parcel reception** and **security** categories.

Beyond post boxes, Arregui’s range extends into **safes** (including certified models) plus a mix of “house equipment” lines such as **signage/furniture for common areas**, **safety/protection items**, and **recycling/order products**.
