Specification Summary

Brand	Asec
Product type	Chrome Effect

Product Description

The Asec 'Disabled Toilet' Chrome Self-Adhesive Sign is a sleek and contemporary solution for clearly marking accessible facilities in any professional or commercial environment. Featuring a mirror-like chrome effect finish, this mini sign offers a modern aesthetic that seamlessly blends with contemporary interior decor.

Measuring 200mm by 50mm, it is specifically designed for areas where space constraints make larger signs impractical or unsightly. It is commonly used throughout offices, public buildings, retail spaces, and hospitality venues to provide clear, professional direction.

Crafted from durable, semi-rigid PVC, the sign is lightweight yet robust. It comes with a self-adhesive backing, allowing for quick, clean, and hassle-free installation on doors or flat surfaces without the need for screws, drilling, or additional tools.

Technical Specifications

- **Brand:** Asec
- **Manufacturer Reference:** AS4749

- **Barcode:** 5015397201584
- **Finish:** Chrome Plated (Chrome effect)
- **Legend:** Toilet with wheelchair image (Disabled Toilet)
- **Material:** Semi-rigid PVC
- **Mounting:** Self-adhesive backing
- **Width:** 200mm (20cm)

Brand Profile

Asec

ASEC is a **trade-focused security hardware brand** built around the “everyday kit” locksmiths and installers reach for, with a big emphasis on **breadth, availability, and value** rather than boutique-only spec pieces. The brand was **established in 2003** and was created specifically to **support independent retailers and security professionals** with products that *“would never become available through the large multiple retailers.”*

Where ASEC gets especially interesting (and why it tends to become a “default stock brand”) is the **scale of the range**:

- ASEC positions itself as having a portfolio of **2,000+ individual products**, described as one of the **largest ranges under a single security brand name** in the industry.
- Coverage is intentionally broad across the core trade categories: **Access Control, Architectural Hardware, Key Cutting, Locking Products, UPVC, Tools & Accessories**.

ASEC is **exclusive to Aldridge Security** (whom we distribute) in the UK trade ecosystem (Aldridge explicitly calls itself the **exclusive distributor of ASEC Security Products worldwide**). That exclusivity is a big part of the brand’s identity: it keeps the range aimed at the trade channel rather than getting diluted into mass retail.
