Specification Summary

Brand	Asec
Product type	Door Tidy

Product Description

The Asec Victorian Door Tidy is a classic, screw-fixed interior letter plate cover designed to neatly conceal the inside of your letterbox opening. Ideal for wooden doors, this door tidy helps to reduce draughts and keep your hallway looking tidy by covering the internal aperture of your letter plate.

Featuring a traditional Victorian design with a curved pattern, it is finished in high-quality polished brass to complement classic door hardware. It measures 280mm by 80mm, providing ample coverage for standard letterbox openings, and is easily installed using surface-mounted screws.

Brand Profile

Asec

ASEC is a **trade-focused security hardware brand** built around the “everyday kit” locksmiths and installers reach for, with a big emphasis on **breadth, availability, and value** rather than boutique-only spec pieces. The brand was **established in 2003** and was created specifically to **support independent retailers and security professionals** with products that *“would never become available through the large multiple retailers.”*

Where ASEC gets especially interesting (and why it tends to become a “default stock brand”) is the **scale of the range**:

- ASEC positions itself as having a portfolio of **2,000+ individual products**, described as one of the **largest ranges under a single security brand name** in the industry.
- Coverage is intentionally broad across the core trade categories: **Access Control, Architectural Hardware, Key Cutting, Locking Products, UPVC, Tools & Accessories**.

ASEC is **exclusive to Aldridge Security** (whom we distribute) in the UK trade ecosystem (Aldridge explicitly calls itself the **exclusive distributor of ASEC Security Products worldwide**). That exclusivity is a big part of the brand’s identity: it keeps the range aimed at the trade channel rather than getting diluted into mass retail.
