Specification Summary

Brand	Asec
Product type	Polished Gold Effect

Product Description

The Asec "Push" 200mm x 50mm Gold Self Adhesive Sign is a premium, contemporary door sign designed to clearly guide users while complementing modern interiors. Featuring a polished gold-effect finish with a mirror-like surface, this mini sign offers a sleek, professional look that is ideal for offices, commercial premises, and public buildings.

Its compact 200mm x 50mm dimensions make it the perfect solution for areas where space is limited or where larger, bulky signs would look unsightly. Despite its slim profile, the bold "Push" legend remains highly visible, helping to improve foot flow and prevent door damage from incorrect use.

Constructed from durable, semi-rigid PVC, this sign is built to withstand the daily wear and tear of high-traffic environments. Installation is quick, clean, and entirely tool-free thanks to the strong self-adhesive backing, allowing you to easily mount it to any smooth, clean surface such as wood, metal, or glass doors.

Technical Specifications

- **Brand:** Asec
- **Part Number:** AS4733
- **Manufacturer Reference:** 6032

- **Legend:** Push
- **Finish:** Polished Gold Effect
- **Material:** Semi-rigid PVC
- **Fixing Method:** Self-adhesive
- **Dimensions:** 200mm x 50mm
- **Weight:** 16g
- **Pack Quantity:** 1

Key Features

- **Polished Gold Finish:** Features a contemporary, mirror-like polished gold-effect surface that complements modern commercial decors.
- **Space-Saving Design:** Compact 200mm x 50mm dimensions make it ideal for areas with limited space where larger signs are impractical.
- **Clear Communication:** Bold "Push" legend provides clear guidance to staff, visitors, and customers to improve door operation and foot flow.
- **Durable Construction:** Manufactured from high-quality, semi-rigid PVC to resist everyday wear and tear in busy environments.
- **Easy Installation:** Strong self-adhesive backing allows for quick, tool-free mounting on smooth, clean door surfaces.

Brand Profile

Asec

ASEC is a **trade-focused security hardware brand** built around the “everyday kit” locksmiths and installers reach for, with a big emphasis on **breadth, availability, and value** rather than boutique-only spec pieces. The brand was **established in 2003** and was created specifically to **support independent retailers and security professionals** with products that *“would never become available through the large multiple retailers.”*

Where ASEC gets especially interesting (and why it tends to become a “default stock brand”) is the **scale of the range**:

- ASEC positions itself as having a portfolio of **2,000+ individual products**, described as one of the **largest ranges under a single security brand name** in the industry.
- Coverage is intentionally broad across the core trade categories: **Access Control, Architectural Hardware, Key Cutting, Locking Products, UPVC, Tools & Accessories**.

ASEC is **exclusive to Aldridge Security** (whom we distribute) in the UK trade ecosystem (Aldridge explicitly calls itself the **exclusive distributor of ASEC Security Products worldwide**). That exclusivity is a big part of the brand’s identity: it keeps the range aimed at the trade channel rather than getting diluted into mass retail.
