Product Description

The Asec Urban Classic Victorian Bathroom Lever on Plate Door Furniture combines timeless traditional design with robust modern engineering. Manufactured from premium-quality solid brass, this elegant lever-on-backplate set is perfect for both internal and external bathroom doors. It features an integrated turn and release mechanism for privacy, and has been rigorously tested - including 500 hours of salt spray testing and 200,000 spring cycles - to ensure smooth, long-lasting operation.

This high-quality door furniture is fire-tested for up to 30 minutes (FD30), making it suitable for a wide range of residential and commercial applications. It is supplied as a complete pair with all necessary fixings, a 5mm bathroom turn follower, and an 8mm spindle.

These handles are available in multiple finishes, weights, and manufacturer references. Please choose your preferred options from the selection below.
