Product Description

The Asec Urban Madison Lever on Round Rose Door Furniture in an elegant Ebony finish combines modern design with robust construction. Crafted from high-quality aluminium alloy, this door furniture offers exceptional strength and durability, making it suitable for both internal and external applications.

Designed for longevity and smooth operation, the Madison lever handle features a spring mechanism that has been performance tested up to 200,000 cycles. It is also fire-tested to FD30 and FD60 standards, providing outstanding protection and peace of mind. The handles are supplied in pairs, complete with wood screws and 45mm inter-bolts,

making them ideal for standard 35mm thick doors.

With its weather-resistant properties and salt spray testing, this handle is built to withstand the elements while maintaining its sleek appearance. It features a 52mm multi-hole steel backplate with a concealed clip-over cover to ensure a clean, modern aesthetic with no visible fixings. Backed by a 25-year manufacturer guarantee, the Asec Urban Madison is a reliable and stylish choice for any contemporary home or commercial space.
