Product Description

The Asec Urban New York Bathroom Lever on Plate Door Furniture is a premium-quality handle set crafted from solid brass, combining sleek modern design with robust durability. Engineered for smooth operation and outstanding protection, this stylish lever on backplate set is suitable for both internal and external use.

It has been rigorously tested to meet high performance standards, including salt spray testing up to 500 hours for corrosion resistance, and spring performance testing up to 200,000 cycles. It is also fire rated for 30 and 60-minute timber doors (FD30/FD60), making it a safe and reliable choice for residential and commercial environments alike.

This bathroom lever set features a 158mm x 47mm backplate with a 57mm centre distance, designed to suit standard UK bathroom locks. It comes supplied in pairs complete with an 8mm spindle, a 5mm turn and release bar, wood screws, and 45mm inter bolts suitable for standard 35mm doors.

This product is available in multiple finishes, including Polished Nickel and Satin Nickel, with weights ranging from 660g to 681g. Please select your preferred finish, barcode, and manufacturer reference (AS10965 or AS12051) from the options below.
