Product type	Lever Furniture

Product Description

The Asec Urban New York Lever on Plate Lock Door Furniture is a premium brass-based handle set that seamlessly blends modern design with heavy-duty performance. Engineered for both internal and external doors, this sturdy backplate furniture is salt spray tested to 500 hours and spring performance tested to 200,000 cycles to ensure smooth, long-lasting operation.

It is fire rated for 30 and 60-minute timber doors (FD30/FD60) and comes supplied as a pair complete with wood screws and 45mm inter-bolts, making it ideal for standard 35mm thick doors. The New York collection features a contemporary aesthetic and is backed by a 10-year manufacturer's guarantee for peace of mind.

These handles are available in a choice of Polished Nickel or Satin Nickel finishes, with weights ranging from 587g to 598g. Please select your preferred finish and manufacturer reference from the options below.
