Product Description

The Asec Urban Orlando Lever on Round Rose Door Furniture in Ebony combines a sleek, modern aesthetic with robust performance. Crafted from high-quality aluminium alloy, this stylish lever-on-rose handle is designed for both strength and durability, making it an ideal choice for both internal and external doors in residential or commercial settings.

Engineered to withstand heavy use, the Orlando lever is spring performance tested to 200,000 cycles, ensuring smooth and reliable operation over its lifetime. It is fire tested to FD30 and FD60 standards, providing crucial safety

and protection. Additionally, the handle has been salt spray tested for weather resistance, making it highly durable against the elements. It features a 52mm multi-hole steel backplate with a neat, concealed clip-over cover for a clean, screw-free finish. Supplied in pairs, it comes complete with wood screws and 45mm inter-bolts suitable for standard 35mm thick doors, all backed by a 25-year manufacturer's guarantee.
