Product type	Lever Furniture

Product Description

The Asec Urban San Francisco Bathroom Lever on Plate Door Furniture combines traditional design with robust performance. Crafted from premium-quality brass, this stylish door furniture is engineered to withstand the elements, having been salt spray tested to 500 hours and spring performance tested to 200,000 cycles for exceptionally smooth operation.

Suitable for both internal and external doors, this set is supplied in pairs complete with a turn and release mechanism, wood screws, and 45mm inter-bolts designed for standard 35mm doors. It is backed by a 10-year manufacturer's guarantee, offering long-term peace of mind.

This door furniture is available in a choice of finishes, including Polished Brass, Polished Nickel, and Satin Nickel, with weights ranging from 691g to 705g. Please choose your preferred finish, weight, and manufacturer reference from the options below to suit your bathroom door requirements.
