Product Description

The Asec Urban San Francisco Lever on Plate Latch Door Furniture is a premium brass-based door handle set that combines traditional design with superior functionality. Designed for both internal and external doors, this sturdy lever latch furniture features a robust spring mechanism tested to 200,000 cycles, ensuring smooth and reliable operation over years of use.

With outstanding durability, it has been salt spray tested to 500 hours, making it highly resistant to corrosion. The handles are supplied in pairs, complete with wood screws and 45mm inter-bolts, making them suitable for standard 35mm thick doors.

This door furniture is available in multiple finishes, including Polished Brass, Polished Nickel, and Satin Nickel, and across brands including Asec Urban and Urfic. Please choose your preferred finish, brand, screw centres, and other specifications from the options below.
