Product Description

The Asec Urban Utah Lever on Round Rose Door Furniture combines modern design with robust construction, making it an ideal choice for both contemporary residential and commercial properties. Manufactured from high-quality aluminium alloy, this door furniture offers exceptional strength and durability, ensuring long-lasting performance in both internal and external environments.

Designed with both aesthetics and functionality in mind, the Utah lever features a sleek, modern profile finished in a stylish Slate Grey. It is built to withstand high-traffic use, having been spring performance tested to 200,000 cycles.

Additionally, it is FD30/FD60 fire-rated and salt spray tested for weather resistance, providing peace of mind and outstanding protection.

Each set is supplied in pairs, complete with wood screws and 45mm inter bolts suitable for standard 35mm doors. The 52mm multi-hole steel backplate features a neat, concealed clip-over cover to ensure a clean, professional finish once installed.
