Product Description

The Asec Urban Washington Bathroom Lever on Plate Door Furniture is a premium brass-based handle set that combines modern aesthetics with exceptional durability. Finished in a striking polished nickel, this stylish lever on backplate is designed to elevate the look of any contemporary bathroom while offering smooth, reliable operation.

Engineered for longevity, the Washington handle features a robust spring mechanism tested to 200,000 cycles and is salt spray tested to 500 hours, making it highly resistant to corrosion and suitable for both internal and external applications. For peace of mind, it is also fire tested to 30/60 FD standards, ensuring robust performance under extreme conditions.

This door furniture is supplied as a complete pair, including an integrated turn and release mechanism, wood screws, and 45mm inter-bolts designed for standard 35mm doors. Backed by a 10-year manufacturer's guarantee, it is a dependable and stylish choice for residential or commercial properties.
