Product Description

The Asec Urban Washington Lever on Plate Lock Door Furniture is a premium-quality brass handle set that perfectly blends modern aesthetics with exceptional durability. Designed for both internal and external applications, this robust door furniture features a traditional lever-on-backplate design with a contemporary polished nickel finish, making it an ideal choice for both residential and commercial properties.

Engineered to withstand the elements and heavy use, the Washington lever set has been salt spray tested to 500 hours and spring performance tested to 200,000 cycles. It is also FD30/FD60 fire-rated, providing peace of mind

and outstanding protection in the event of a fire.

Supplied as a complete pair, it comes with all necessary wood screws and 45mm inter-bolts, making it suitable for standard 35mm thick doors. Backed by a 10-year manufacturer's guarantee, this handle set ensures reliable, smooth operation for years to come.
