Product Description

The Asec Vital 3 Lever Deadlock is a cost-effective, reliable mortice lock ideal for internal doors and low-security applications. Part of the popular Asec Vital range, this deadlock provides a neat, professional finish and excellent value for money without compromising on quality.

It features a solid brass deadbolt for robust locking and comes supplied with two keys. For peace of mind, this lock is Certifire approved and conforms to BS EN 12209 standards. It is also fully reversible, making it suitable for installation on both left and right-handed doors.

This deadlock is available in multiple case depths (65mm or 75mm) and backsets (44mm or 57mm), as well as a choice of Gold or Silver finishes to match your existing door furniture. Please select your required size, finish, and specification from the options below.
