Specification Summary

Brand	Asec Vital
Product type	3 Lever

Product Description

The Asec Vital 3 Lever Sashlock offers a neat, professional finish and exceptional value for money without compromising on quality. Ideal for internal doors requiring standard key locking, this mortice sashlock is Certifire approved and conforms to BS EN 12209, making it a reliable choice for both domestic and light commercial applications.

Featuring a robust brass deadbolt and a reversible latch bolt, this lock is fully reversible, meaning it can be easily configured for left or right-handed opening doors. It comes complete with a preformed strike plate, all necessary fixings, and two keys.

This sashlock is available in multiple finishes (Gold or Silver) and backset sizes (44mm or 57mm) to suit your specific door requirements. Please select your preferred finish, backset, and manufacturer reference from the options below.
