Specification Summary

Brand	Asec Vital
Product type	Key Safe

Product Description

The Asec Vital 4 Wheel Combination Key Safe offers a secure, weather-resistant solution for storing spare keys. Designed for both indoor and outdoor use, this wall-mounted key safe is ideal for homeowners, landlords, care workers, and property managers who need to provide controlled access to a property without duplicating keys.

Featuring a resettable 4-digit combination lock, you can easily set and change your own custom code as often as required. The front of the safe is equipped with a sliding shutter cover that shields the dials from dirt, rain, and harsh weather conditions, ensuring long-lasting reliability.

With its compact yet robust design, this surface-mounted unit features a convenient hinged door and is supplied complete with the necessary fixings for quick and straightforward installation. Inside, it provides ample space to securely hold up to 5 standard keys.
