Specification Summary

Brand	Asec Vital
Product type	Necked

Product Description

The Asec Vital Brass 25mm Wide Necked Barrel Bolt is a robust and reliable security solution designed to secure doors from the inside. Featuring a classic polished brass finish, this necked barrel bolt is ideal for a variety of domestic and commercial applications.

Its durable steel construction ensures long-lasting performance, while the countersunk screw holes allow the bolt to sit completely flush against the door surface for a neat, professional finish. The bolt is fully reversible, making it suitable for both left and right-handed doors. It is supplied complete with fixing screws for a straightforward installation.

This barrel bolt is available in multiple lengths ranging from 75mm to 150mm (15cm), with weights varying between 50g and 60g. Please choose your required length, weight, and corresponding manufacturer reference from the options below.
