Product Description

The Asec Vital Brass 25mm Wide Straight Barrel Bolt is a robust and reliable security solution designed for flush-fitting door applications. Featuring a classic polished brass finish, this straight barrel bolt is ideal for securing doors, gates, and cabinets where the door and frame sit flush with one another.

Its robust construction ensures long-lasting durability, while the countersunk screw holes allow the fixings to sit flush against the surface, preventing snagging and ensuring a neat, professional finish. The bolt is fully reversible, making it suitable for both left and right-handed installations.

This versatile barrel bolt is available in a variety of lengths and weights to suit your specific installation requirements. Please select your preferred length from the options below.
