Specification Summary

Brand	Asec Vital
Product type	5 Lever BS04

Product Description

The Asec Vital BS 5 Lever Mortice Sashlock is a high-security, British Standard approved locking solution designed for external timber doors. Fully compliant with BS EN 3621, this robust sashlock meets the stringent security requirements often specified by home insurance providers.

It features a strong deadbolt equipped with anti-saw rollers to resist attack, alongside a reversible latchbolt that allows for easy handing on both left and right-opening doors. The faceplate features countersunk screw holes for a neat, flush-fitting finish. Each lock is supplied complete with a matching faceplate, box strike, fixings, three keys, and a one-year manufacturer's guarantee.

This sashlock is available in multiple case depths (64mm or 76mm) with corresponding backsets (44.5mm or 57mm), and in a choice of Polished Brass or Satin Stainless Steel finishes. Please select your preferred size and finish from the options below.

Technical Specifications

- **Standards:** Complies with BS EN 3621
- **Mechanism:** 5 Lever
- **Case Depth:** 64mm or 76mm (please select from the options below)
- **Backset:** 44.5mm or 57mm (please select from the options below)
