Product Description

The Asec Vital Concealed Fixing Escutcheon is a high-quality, stylish door accessory designed to provide a clean and professional finish to your doors. Ideal for both domestic and commercial environments, these escutcheons feature a threaded concealed fixing design, ensuring all mounting screws are neatly hidden from view for a sleek, minimalist look.

Supplied in pairs, these escutcheons are fully reversible and have a standard 51mm diameter with a 10mm depth. They are available in a choice of finishes, including Chrome Plated and Satin Chrome Plated, to seamlessly match your existing door furniture. Additionally, you can select from different mechanism profiles to suit your locking requirements, with options available for standard UK Mortice locks or Euro Cylinders. Please choose your preferred finish, mechanism profile, and manufacturer reference from the options below to find the perfect fit for your project.
