Specification Summary

Brand	Asec Vital
Product type	Cylinder - Euro & Oval

Product Description

The Asec Vital Mortice Euro Deadcase is a high-quality, cost-effective mortice cylinder deadlock case designed for use with a Euro profile cylinder (sold separately). It is ideal for both internal and external residential or office doors, offering a neat finish and reliable security without compromising on quality.

Approved by Certifire and conforming to BS EN 12209, this deadcase features a solid brass deadbolt with hardened steel rollers to resist sawing. It is designed to accommodate bolt-through escutcheons with 25mm to 40mm centres and is supplied complete with a steel boxed strike plate and fixing screws.

This deadcase is fully reversible and is available in multiple configurations to suit your door. You can choose from backsets of 45mm or 57mm (with corresponding case depths of 65mm or 75mm, and weights of 385g or 415g) and forend finishes of Polished Brass or Nickel Plated. Manufacturer references include VT10106, VT10107, VT10108, and VT10109. Please select your preferred options from the drop-down menus below.
