Specification Summary

Brand	B & G
Product type	Open Shackle

Product Description

The B&G Warded Brass Open Shackle Padlock with a steel shackle is a reliable, classic security solution designed for everyday locking requirements. Featuring a solid, lacquered brass body, this padlock offers excellent durability and resistance to the elements.

It is equipped with a spring-loaded, hardened steel shackle that provides a smooth, sprung opening and closing action. The traditional warded locking mechanism offers simple, single-locking operation, making it ideal for low-to-medium security applications such as securing sheds, toolboxes, gates, and lockers.

This padlock is available in multiple body widths, shackle diameters, and keying options, including Keyed Alike and Keyed To Differ. Please choose your preferred size, clearance, and keying configuration from the options below. Each padlock is supplied complete with two steel keys.

Technical Specifications
