Product Description

The Banham S464 Euro Double Cylinder (also known as the BPL1000) is a high-security double cylinder designed for use with Banham security locks, including older Banham S464 mortice locks. This double cylinder is operated with a key from both sides and features a robust security cowl on the external side to protect against tampering and physical attack.

It features a split cam design and utilizes a high-security Banham 12-pin mechanism. To ensure maximum key control and security, duplicate keys must be obtained directly from Banham patent locks.

This cylinder is available in multiple finishes, including Polished Brass and Satin Chrome, with corresponding manufacturer references (BPL1000 SB and BPL1000 SC). Please choose your preferred options from the selection below.

Brand Profile

Banham

Banham is a **London-based, family-run security company** best known for its **high-security locks**, locksmithing, and wider home-and-business security services across **London and the South East**. The business traces its roots to **1926**, when **William F. Banham** developed an early **automatic door bolt** after repeated burglaries at his wife's West London dressmaking shop, launching what became Banham Patent Locks.

Over nearly a century, Banham has grown from lockmaking into a full security provider, combining **physical security** (locks and door hardware) with **electronic security** such as **alarms, CCTV, and access control**, plus services like **keyholding** and **24/7 alarm response**.

In the trade/public eye, Banham is especially associated with:

- **Banham-branded locks** (marketed as UK-crafted, with an emphasis on distinctive design and robust burglary resistance).
- **24/7 emergency locksmith coverage** for lockouts, lock changes, and repairs, positioned as vetted, insured, and professional (and very much "don't get scammed by a rogue locksmith" coded).
- A "heritage + service footprint" story: **four generations**, **since 1926**, and a long-standing focus on London's residential and commercial market.
