Specification Summary

Brand	Basta
Product type	Butt

Product Description

The Basta Parsons 204 Butt Hinge is a high-quality, solid drawn brass hinge designed for reliable performance and a classic aesthetic. Supplied as a pair, these hinges are ideal for use on cabinets, cupboards, and lightweight doors.

Crafted from solid drawn brass, they offer superior strength and durability compared to standard pressed hinges. The integrated brass pin ensures smooth, consistent operation, while the countersunk fixing holes allow for a neat, flush installation. With a polished brass finish, they provide a clean, traditional look that complements a wide range of interior woodwork and cabinetry.
