Product type	Borg Accessories

Product Description

The Borg 2000 Series Accessory Pack is a comprehensive spares and fixing kit designed specifically for the standard Borg BL2000 series of mechanical digital locks. Ideal for new installations, routine servicing, or replacing lost components, this genuine Borg accessory pack provides all the essential parts required to keep your digital lock fully operational.

This handy kit includes a selection of spindles and fixing screws to accommodate different door thicknesses, along with replacement coded and uncoded tumblers. It also features a pair of tweezers to assist with code changes and a plastic snib designed to replace the holdback catch on the inside handle of BL2201 models.

Technical Specifications

- **Compatibility:** Borg BL2000 series mechanical digital locks
- **Spindles:** 1 x 85mm spindle, 1 x 100mm spindle
- **Fixing Screws:** 2 x 35mm machined screws, 2 x 50mm machined screws, 4 x wood screws (for latch, strike, and keep)
- **Tumblers:** 2 x coded tumblers, 2 x uncoded tumblers
- **Fixing Posts:** 1 x brass support post, 2 x hexagonal fixing posts
- **Additional Components:** 1 x plastic snib (for BL2201 inside handle holdback catch), 1 x pair of tweezers (for code changing)

Key Features

- **Genuine Borg Parts:** Ensures perfect compatibility and reliable performance with your BL2000 series lock.
- **All-in-One Kit:** Contains all the essential fixings, spindles, and tumblers needed for installation or maintenance.
- **Easy Code Changes:** Includes a dedicated pair of tweezers to make swapping tumblers and changing codes straightforward.
- **Holdback Replacement:** Features a plastic snib to easily replace the BL2201 holdback catch on the inside handle.
- **Flexible Fitting:** Multiple spindle and screw lengths included to suit various door installation requirements.
