Product Description

The Borg 2000 Series Strike Plate & Box Keep is a genuine replacement accessory designed specifically for Borg's range of 2000 series mechanical digital locks. Over time, strike plates and dust boxes can become worn, damaged, or lost. This high-quality replacement set ensures your digital lock continues to latch smoothly and securely into the door frame.

This strike plate and box keep assembly is designed to work seamlessly with BL2000 series style tubular latches. It is compatible with a wide range of models, including the BL2000, BL2400, BL2500, BL2600, BL2700, BL2900, and BL4400 series.

Ideal for refurbishing existing installations or replacing worn components, this set helps maintain the correct alignment of the latch bolt and the anti-thrust pin, ensuring the deadlock mechanism functions as intended to protect against manipulation.

Please note: This product includes the strike plate and box keeper only. Fixings are not included.

Technical Specifications

- **Manufacturer:** Borg Locks
- **Compatibility:** Borg BL2000, BL2400, BL2500, BL2600, BL2700, BL2900, and BL4400 series models
