Specification Summary

Brand	Borg Accessories
Product type	Borg Accessories

Product Description

The Borg 4000 Series Accessory Pack is a comprehensive spare parts and fixing kit designed specifically for Borg 4000 series mechanical digital locks. Whether you are installing a new lock, undertaking routine maintenance, or changing the entry code, this handy pack provides all the essential replacement components, fixings, and tools required to get the job done.

This genuine Borg accessory pack includes a variety of fixing screws in multiple lengths to accommodate different door thicknesses, along with wood screws, hexagonal fixing posts, and brass support posts. It also features a sprung spindle, an Allen key, and tweezers, plus replacement coded and non-coded tumblers to assist with code configuration. It is an ideal addition to any locksmith's toolkit or for keeping on hand as a spare parts kit.
