Product type	Borg Accessories

Product Description

The Borg 4000 Series Lockcase is a high-quality replacement sash lockcase designed specifically to suit the Borg 4000 series of mechanical digital locks. Featuring a 60mm backset, this Euro-profile lockcase is ideal for restoring or upgrading your existing digital lock setup.

Engineered for medium-duty applications, it provides reliable latching and deadbolting when paired with a compatible Euro-profile cylinder (sold separately). Its robust construction ensures long-lasting performance and smooth mechanical operation, making it a dependable choice for both commercial and residential access control systems.

Technical Specifications

- **Brand:** Borg
- **Compatibility:** Suits Borg 4000 series mechanical digital locks
- **Backset:** 60mm
- **Lockcase Type:** Euro-profile sash lockcase
- **Centres:** 72mm

Key Features

- **Perfect Compatibility:** Designed specifically as a direct replacement or upgrade lockcase for the Borg 4000 series.
- **Euro-Profile Ready:** Accommodates a standard Euro-profile cylinder for optional key override and deadbolting functionality.
- **Robust Construction:** Built to high standards for reliable, medium-duty performance in high-use environments.
- **Smooth Operation:** Ensures seamless latching and mechanical reliability for secure access control.
